TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pittsfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at the TOWN HALL in said PITTSFIELD on Tuesday the eighth day of March next, at TEN of the clock in the forenoon, and at GREENLEAF AUDITORIUM at eight of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Polls shall not close before 6:30 p. m.)

2. To see if the Town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector's Deeds and to otherwise administer said property as they deem to be in the best interests of the Town.

3. To see if the Town will vote to authorize the Selectmen to purchase, at a cost not to exceed forty-five hundred five dollars (\$4,505.00), a new V plow with a wing attachment and a new sander for the trucks. (Recommended by the Budget Committee.)

4. To see if the Town will vote to authorize the Selectmen to employ an architect to lay out a preliminary plan for a new Municipal building to take care of the Town Fire equipment, Town offices and Jail, sum not to exceed seven hundred fifty dollars (\$750.00). (Not recommended by the Budget Committee)

5. To see if the Town will vote to use the present site where the Town Hall is now for the site of the new Municipal building.

6. To see if the Town will vote to raise and appropriate the sum of nine hundred (\$900.00) to be paid to Concord Hospital as an apportionment of the anticipated deficit of the Hospital for 1965. (Not recommended by the Budget Committee.)

7. To see if the Town will vote to authorize the Selectmen to replace four (4) street lights on River Street:

No. 1 at the corner of River Road and Lyford Hill.

No. 2 between the location of No. 1 and the Catholic Church.

No. 3 in front of the Catholic Church.

No. 4 on the corner of Page and River Road.
at the cost of one hundred two dollars twenty-four cents
(\$102.24) per year.

8. To see if the Town will vote to authorize the Trustees of Trust Funds to establish a continuing and permanent balance of principal in the Pittsfield Academy Fund of \$4,219.18 and a continuing and permanent balance of principal in the Emerson-Berry Fund of \$944.09.

9. To see if the Town will authorize the Selectmen to advertise and to sell to the highest bidder the 1943 Five-ton tractor.

10. To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town Expenses for the year ensuing or pass any motion related thereto.

11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1966 taxes the same to be repaid from that year's levy.

12. To see if the Town will accept the following Trust Funds:

DONOR	PURPOSE	AMOUNT
Fred Yeaton	New Fund, Perpetual Care, Jos. and Fred Yeaton lot, Floral Park	\$200.00
Mrs. Ernest Morin	c/o Prudent Frenette lot, Mt. Calvary, Lot No. 180	200.00
Vera T. Brady	c/o George lot, Floral Park	200.00

13. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and sixty-six.

RICHARD C. FOSS,
ELLIOTT L. TOWLE,
GORDON R. WELDON,
Selectmen of Pittsfield.

**CITIZEN OF THE YEAR
FOR 1966**

(Courtesy Pittsfield News, Staff Photo)

Mrs. May B. Emerson was named Citizen of the Year for 1966 at the ninth annual Citizen of the Year Dance on January 29, 1966. The award was presented by Richard C. Foss, Chairman of the Board of Selectmen. She was cited for "providing for many years a ray of sunshine for the community." '

PERAMBULATION OF THE EPSOM-PITTSFIELD TOWN LINE

Pursuant to a notice from the Selectmen of Epsom, N. H. to the Selectmen of Pittsfield, N. H. the undersigned met on November 6, 1965 at time and place specified and proceeded to perambulate the line between said towns and renewed the marks on the bounds thereon, to wit:

Beginning at a stone monument set in the ground marked E-P-1913 and other dates and N on the easterly side, standing on westerly line of the Town of Northwood, in a field formerly owned by Clarence Johnson, the same being the northeasterly corner of said Epsom and the southeasterly corner of said Pittsfield (marked '56); thence N 64 degrees 5' W 28 rods to a pile of stones and X on a ledge; thence 147 rods to a stone monument standing on westerly side of the New Road, so-called, and marked E-P; thence about 372 rods to a stone monument standing on westerly side of the North Road, so-called, and marked E-P; thence 68 rods to a stone monument standing on the easterly side of the Range Road, so-called, and marked E-P; thence about 417 rods to a stone monument standing on the westerly side of the Locke Road, so-called, marked E-P; thence 114 rods to a stone monument standing on the westerly side of the Sherburne Road, so-called, and marked E-P, the bound being near the residence of Myron W. Kimball, formerly owned by John S. Clark.

This monument was taken up when the road was widened, and we reset it in its proper place; thence 118 rods to a monument made of field stones about three feet high with a stone marked E-P-1854 standing by the westerly side (this monument being built upon a ledge marked X-1916 and other dates.) This bound is situated on the northerly slope of the pasture formerly owned by Lewis Barton, now by Myron W. Kimball.

The above bound is best located by entering the woods at the Northwest corner of the open field west of the residence of Myron W. Kimball and traveling a short distance in a northwesterly direction.

Thence 225 rods to a stone monument marked E-P standing near the easterly bank of the Suncook River; thence by same course toward a stone in the center of said Suncook River; this stone being marked with an X. This bound was not visible at this time due to high water. The whole distance from the point of beginning being five miles and 54 rods.

All marks were renewed and painted red for better visibility.

NEIL G. REID,
JOHN B. YEATON,
ELMORE A. BICKFORD,
Selectmen of Epsom.

ELLIOTT L. TOWLE,
RICHARD C. FOSS,
GORDON R. WELDON,
Selectmen of Pittsfield.

PERAMBULATION OF THE NORTHWOOD- PITTSFIELD TOWN LINE

Pursuant to a notice from and by the Selectmen of the Town of Northwood to the Selectmen of the Town of Pittsfield, the undersigned met at the southeasterly corner of the said Town of Pittsfield on the twenty-second day of May, 1965 at 10 a.m. and proceeded to perambulate the line between the said towns and to renew the marks thereof by adding the numbers "1962", thereto, and to establish the same as follows:

Beginning at a stone on the farm formerly of the late George W. Bartlett (being a corner bound of Epsom and Pittsfield) marked P-E-P-N, 1906, 1941, 1948, 1955 and other marks; thence on a northeasterly direction to a stone in the wall bordering the state highway to Pittsfield on land formerly of the late Clinton M. Green, marked P-N, 1899, 1941, 1948, 1955 and other marks; thence in the same direction to a stone in the wall bordering the highway leading southeasterly from the house formerly of Jean Stim-mell, marked P-N, 1899, 1941, 1948, 1955 and other marks; thence in the same direction to a stone monument on or near the wall bordering the farm formerly of the late Josiah R. Tucker, marked P-N, 1857, 1941, 1948, 1955 and other marks; thence in the same direction to ledges on the land of the said Tucker, marked P-N, 1850, 1934, 1941, 1948, 1955 and other marks (a pile of stones on said ledges); thence in the same direction to a beech tree marked X, P-N, 1913, 1934, 1941, 1948, 1955 and other marks (said tree about fifty yards east of a sawdust pile); thence in the same direction to a corner stone bound of Northwood and Strafford, marked X P-S-N, 1856, 1934, 1941, 1948, 1955 and other marks, and a rock marked 1878.

In witness whereof we have set our hands this 1st day of February, 1966.

ELLIOTT L. TOWLE,
RICHARD C. FOSS,
GORDON R. WELDON,
Selectmen of Pittsfield.

ROBERT DOW,
TRUE W. CHESLEY,
Selectmen of Northwood.

REPORT OF THE TRUSTEES OF CARPENTER MEMORIAL LIBRARY

1 9 6 5

The figures show that the increase in borrowing at Carpenter Memorial Library continues: progress is slow but steady. Approximately 2080 books were borrowed from the Bookmobile on its regular visits while 180 special requests, direct from the State Library were fulfilled.

The Reference Section has been much improved by the acquisition of the 1965 edition of the Encyclopedia Americana as well as numerous other reference works. A contribution from the Pittsfield Arts and Antiques Guild was made and will be spent during 1966 on appropriate reference books.

Along with the majority of libraries in the state Carpenter Library joined the Statewide Library Development Scheme. Mrs. Van Horn was appointed to a committee on Certification for New Hampshire Librarians.

Displays of art work and children's weaving have been shown and thanks are due to co-operating teachers. The second graders made their annual visits to the library for story hours and membership cards, while both Pittsfield Kindergartens once more visited during Children's Book Week. National Library Week was again marked by a book display in Green's Drug Store and the distribution of posters and stickers to the schools.

The trustees voted to close the library Saturday afternoons during the summer because of minimal attendance and this has in no way affected the circulation.

Mr. Lynnwood Durrell was appointed custodian and his conscientious upkeep of the library and of the Jenkins Room are much appreciated. Increased use of the Jenkins Room by civic groups indicate that it has become an indispensable facility for the town.

Thanks are due to all those who have given books or magazine subscriptions as well as to Mrs. Dorothy Kelley for her continuing interest and invaluable assistance.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We Must All Be Careful:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF THE RECREATION COMMISSION

The Doctor F. B. Argue Memorial Pool was opened from the last week in June to Labor Day for a total of ten weeks. Steven Franzeim, Robert Watkins and Tracy Mousseau, all Senior Life Guards were in constant attendance. Gail Drolet was the Ticket Taker.

The season total attendance was 3,696. This does not include children attending free swimming classes held each morning. This year, 26 children passed their beginners test, 7 advanced beginners, 6 swimmers, 1 advanced swimmer, 12 intermediate, 4 jr. Life Saving and 2 Senior Life Saving.

Once again this year the P.T.A. in Barnstead requested the use of the pool for two weeks in July for swimming lessons for Barnstead children. Their own instructors accompanied the children during their stay, so our schedule was not interfered with in any way. The Y.M.C.A. Day Camp in Concord was also given permission to bring a bus load of swimmers over on several occasions throughout the season. They paid admission charges and brought their own life guards.

Each year the Commission uses the proceeds from the Citizen of the Year Dance to improve the facilities at the pool. Although the bath house is locked throughout the winter, a few forced their way in, broke windows, plumbing and ripped the phone from the wall. Instead of adding improvements, we were forced to replace these broken facilities. We did however plant three hundred climbing rose bushes along the front fence.

Plans for the summer include replacing the mat on the diving board, improving the interior of the bath house and possibly bringing in more sand to improve the beach.

The water was tested each week by the N. H. Health Department and each time was found good for swimming.

FIRE DEPARTMENT REPORT

This year there were 35 box alarms, including 2 false alarms and six still alarms.

Fire alarm wires were changed over on Catamount St. due to installation of new poles.

Section of old fire alarm wires checked for short circuit on west side of town in November.

Replaced cross arm at Box 28, insulators at Snow Shoe Club, loose connection at Box 26, replaced pin and insulator at Box 152.

Cut brush and trimmed trees from Main St. to Joy St. at rear of Memorial School.

Circuits removed at Adams Bros., old bowling alley and Theatre.

Pittsfield Shoe Co. installed a fire alarm, Box No. 55 on outside of factory.

Weekly fire alarm tests sounded at 12 noon every Saturday.

Fire station checked at least once a day during the year.

Board of firewards met every Friday evening for radio check at 7:30 p. m. and to check equipment, etc.

At this time we do not have a Supt. of Fire Alarm system.

In reporting a fire — call 435-6522.

Respectfully submitted,

CLARENCE E. ROBIE,
Chief.

PITTSFIELD CIVIL DEFENSE

February 8, 1966.

Subject: Progress Report for 1965:

Conducted two courses in Medical Self-Help.

Conducted one course in Red Cross First Aid.

Recruited new members in the Auxiliary Police. We now have seventeen members.

Made maps of the town and assigned a mobile radio unit and an auxiliary policeman to each of the strategic areas in town.

Conducted five simulated emergency conditions as practice with only police and communications involved.

Revised the Personnel Roster in each of the units (not complete). Revised units are: Police, Communications, and Medical. Remaining units are: Rescue, Wardens, Radiological, Welfare, Transportation, Engineering, Supplies and Shelter Managers. Revisions were necessary because many of the members are now deceased or too elderly to perform their duties in an emergency.

Purchased and outfitted an ambulance, recruited and trained the crew. Have had three calls for the unit.

Goals for 1966 are: Ambulance crews to start periodic training classes on Sunday, February 13th. Recruiting and training a Rescue Squad. Checking our Radiological units in Concord and having a refresher course for the squad. Continue revising the units and continued training in First Aid.

Respectfully submitted,

THOMAS J. ANDERSON.

B. REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Boards and Citizens of the Governor Wentworth School Union No. 49:

I concluded my tenure as your Superintendent on December 31, 1965 to accept a similar position in Bennington, Vermont. As I reflect over the five years that I spent living and working with you it is with many pleasant memories and experiences.

The Supervisory Union has grown considerably. Each District comprising the Union has worked to improve the educational opportunities of their children. The Wentworth District in the establishment of the cooperative, resulting in the construction of Kingswood High School, and improved facilities through new elementary buildings in Ossipee, New Durham, and Effingham. The resultant facilities enabling the cooperating communities to provide a truly superior program designed to meet the individual needs of every student.

Alton, Barnstead and Pittsfield, as independent school districts also provided new and expanded facilities for their growing population each resulting in improved opportunity for the youngsters.

The few years that it was my privilege to work with you was most rewarding.

Although the years were strenuous with building programs, curricula improvements, and numerous new policies, the approval by both the local boards and citizenry was very practical and forward looking.

Your courage and interest in education has been an inspiration to me. As a result of your fine cooperation and support, our achievements are most gratifying.

I personally hope that each district will continue in the future to work for the improvement of their school systems as you have done in the past.

In conclusion, I thank you for the support given me while serving as your Superintendent, and my sincerest best wishes to my many friends and colleagues in their continued support and improvement of one of New Hampshire's finest school systems.

Respectfully submitted,
HOWARD F. KELLEY.

C. REPORT OF THE TEACHER CONSULTANT

To the members of the School Board, the Superintendent of Schools, and the citizens of the Town of Pittsfield, it is with pleasure that I submit this, my second Annual Report, as Teacher Consultant.

Curriculum

The curriculum consists of all the educative experiences under the conscious direction of the school. This, it is generally agreed, is the modern view, which differs from the more traditional concept of the curriculum as a body of subject matter to be learned.

In the older philosophy, the assigned lesson was the basic unit of instruction; in the newer philosophy, the experience of the learner is the basic unit. The modern curriculum has been described as a rounded program of living for every child, in contrast to the traditional curriculum, which is composed of a series of lessons or a collection of predetermined courses of study. The modern curriculum is usually not confined to the classroom but flows out into the life of the community.

A good school program is based on the philosophy and objectives of the school. The program of a school is the means to meet the challenge of our basic beliefs and needs of the children. The three R's are basic to a good program but at the same time, the importance of good citizenship can not be overlooked. The atomic age is requiring our schools to meet the challenge which are new in the other areas of knowledge such as mathematics and science.

We recognize that children and groups of children differ greatly. It must be recognized that there can be effective learning only as the curriculum is adjusted to the needs, interest, and abilities of the individual child and to the special needs of groups of children.

The staffs in the Pittsfield Schools are constantly striving for excellence in their program for the children of Pittsfield.

A great many staff members have taken extension courses to improve themselves professionally.

Continuity has been developed in grades 1-6 in the areas of mathematics and Keys to Independence in Reading.

My thanks to the School Board, Principals, Staff and Citizens of Pittsfield for their cooperation.

Respectfully submitted,

RAYMOND C. ROY, JR.,
Teacher Consultant.

V. AUXILIARY REPORTS

A. REPORT OF THE HIGH SCHOOL PRINCIPAL

To the members of the School Board, the Superintendent of Schools, and the citizens of the Town of Pittsfield, it is with pleasure that I submit this, my third annual report, as Principal of Pittsfield High School.

Pittsfield High School opened in September 1965 with twenty seven staff members and 487 students in grades five through twelve and Special Education. Eight staff members were employed to replace teachers who left the system in June 1965. Mr. Ronald Butcher replaced Mr. Snell in Physical Education; Mr. David Gosselin replaced Mr. Rouse in high school social studies; Mr. Leonard Goulis replaced Mr. Kruiswyk as Director of Music; Miss Donna Lee replaced Mr. Purdy in high school social studies; Miss Alice Mulligan replaced Mrs. Lawton in junior high school social studies as Mrs. Lawton transferred to teach elementary grade mathematics; Miss Cherlyn Packard replaced Miss Hunt in Business Education; Mr. Leonardus Stal replaced Mr. Dorais in French; Miss Carol Pike replaced Mr. Lindsey in Biology; and Mrs. June Tilton replaced Mr. McCarthy in high school English. Mrs. Nancy Lindsey, who had joined the faculty at mid-year in 1965, returned to teach elementary school social studies and to replace Mrs. Parent in the high school art program. Mr. L. Parkhurst Estabrook was added to the staff as a teacher of mathematics and science and Mrs. Jean Cilley was employed as a teacher-aide in grades five and six, freeing Mrs. Lindsey for some art instruction in the high school. Pittsfield has been fortunate to employ staff members of the caliber of our new teachers. However, eleven new faculty members represent a slightly more than forty percent change in staff within one year as well as the loss of the entire social studies department in one year. It is evident we shall have to continue to seek effective means of retaining good teachers for a longer period of time if we are to continue to build a strong educational system.

A major change was undertaken in September of 1965 when the grades five and six classes were departmentalized for the first time. Enabling teachers to concentrate in specific subject matter areas strengthens our programs and provides greater continuity with what has been done

in grades one through four and what is to be done in the junior-senior high school. The reading program, offered in grades one through four, has been extended to grade five with tentative plans to extend it to grade six in 1966-67. A new system of mathematics instruction was introduced this year in grades one through six. This change, with its different terminology and methods, often baffling to us adults, appears to have met with pupil acceptance and some measure of success. It should provide our students with a sounder mathematical background. Particular note should be made of the careful planning and teaching skills of Mrs. Marjorie Lawton who has borne the responsibility for introducing this program to the pupils in grades five and six. Mrs. Lawton has also held a series of classes in mathematics for adults which have had an average of over forty interested citizens. We would hope to generate similar community interest in other programs of this type.

Under the direction of Miss Walker, we have expanded pupil offerings to students in the Special Education class by incorporating their activities into junior-senior high school classes of art, mathematics, home economics, industrial arts and physical education.

We have added an additional offering in non-college mathematics for students in the high school thus insuring Pittsfield High School's continuation as a comprehensive high school. The course, formerly entitled "General Science" has been changed to "Earth Science" filling what had been a gap in our total four year science offering. The English teachers, under the guidance of Mr. Graves, are making a determined effort to improve the quality of student composition skills. This should bring about significant improvement in this area, hopefully to match the present superior scores our pupils are earning in the mathematics portion of the College Boards.

In December of 1965, Pittsfield's five year report was submitted and accepted by the Commission Public Secondary Schools of the New England Association of Colleges and Secondary Schools. This indicates significant progress has been made since the evaluation of the school in 1960 and assures our continued membership in good standing of the regional accrediting association.

The number of pupils enrolled in the high school building continues to grow. Over the past three years there has been a steady increase in the size of the graduating classes. Within two years we shall be graduating classes in excess of seventy five and it is projected that the total

enrollment in the building will exceed five hundred in September 1966. With a student body of this size, we shall be making maximum use of the facilities of the building.

The School Board has requested that I report on the present status of the construction at the High School Building. The contractor withdrew his employees and indicated the work was complete in the summer of 1964. Beginning in September of 1964, we have been able to use all the new facilities in the course of the daily school activity. However, since mid-1964, there has been a basic disagreement between the contractor and the School Board which has resulted in the Board refusing to make final acceptance of the building and final payment to the builder. The matter has now been placed in the hands of the court with the contractor claiming final payment is due and the Board claiming, in a counter-action non-compliance with the terms of the contractual agreement.

In closing, may I express my thanks to the members of the school board, former Superintendent Kelley, Superintendent Russell, Mr. Roy, the members of the faculty and staff, whose cooperation and continuing efforts have been directed to providing quality education to the students of this high school.

Respectfully submitted,

WINTHROP S. ALDEN,
Principal.

B. REPORT OF THE GRAMMAR SCHOOL PRINCIPAL

The faculty and classrooms at the Grammar School have remained the same as last year with 5 teachers and about 150 pupils in grades 2-4. The third grade classrooms are very small. With the anticipated September enrollment of over 60 children, those rooms will be more overcrowded than this year.

Parents and teachers participating in Mrs. Lawton's class and an extension course in Modern Math have helped to make the transition from traditional to new Math an exciting, broadening, and enjoyable experience for the pupils of this school.

Plans are being made to introduce a new science series in the fall which can be used to great advantage along with the science experimental kit given to us by the Parent-Teacher Association. Many new science reference books have been added to the school library to make available to the students more knowledge of the newest science discoveries and explorations.

The teachers join me in extending thanks to the school officials, parents and friends who have shown interest in our school and have cooperated with our efforts for continuing progress.

Respectfully submitted,

PHYLLIS MURDOUGH,
Principal.

C. REPORT OF THE MEMORIAL SCHOOL PRINCIPAL

Our school enrollment hovers around one hundred each year. This year the first grades are comparatively small with under twenty-five in each room. Our second grades are enrolling nearly thirty-five in each room. Hopefully, next year our room totals will be a bit more even with a fairly small first grade enrollment anticipated.

About one-third of our children go, every day, by bus to the hot lunch program at high school. We are grateful for these well-planned meals. Children can buy white milk for two cents a bottle even though they don't take hot lunch — this is made possible by government subsidy.

Fifteen of our first graders were enrolled in the six-week "Head Start" program during July and August. We feel this project has merit in some measure for all involved but in particular for several children who were given special consideration and prospective problems were prevented. A publicly supported kindergarten would be a tremendous re-enforcement to our present plan.

In December, the first and second grade teachers prepared and presented five numbers for the Christmas program at high school.

We are now well launched on the Greater Cleveland Mathematics Program. It envelops the completely new approach to teaching arithmetic and never have we experienced so much enthusiasm over such a, heretofore, dull subject. Three of our faculty are presently completing a U. N. H. course in the teaching of modern mathematics.

Our school plant is becoming more and more obsolete by our modern standards of education but we are endeavoring to make the most of what we have. We want to take this opportunity to extend our deepest thanks to the school board and other helpful citizens who continually make our work pleasant and more fruitful.

Respectfully submitted,

HARRIET AMES,
Principal.

The school health program continues about the same with the general health of the children very good. We see a big improvement in the dental work especially with high

school pupils. I think our dental hygienist's work with the pupils was a good influence and we do appreciate the help given us by the state in this dental program. The state also put on their TB program of testing and X-rays through the assistance of their nurse Miss Constance Martin.

We do appreciate all the help given us by the State's Rotary Club, local Lions Club, local Salvation Army Fund, and also the state's help for children needing glasses. We wish to thank parents, teachers, school officials, and our local organizations for their kind cooperation with the school health program.

E. DRAKE MEMORIAL FIELD PLAYGROUND REPORT

The 1965 Summer Program at Drake Field operated for a period of eight weeks under the direction of Mr. Wesley Lavin, Jr. of Center Barnstead, N. H. and his very capable helper Miss Patricia Riel. The eight week period began on July 6 and continued through August 27. The park was open from 9:00 - 12:00 and 1:00 - 4:00 five days weekly.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Pittsfield qualified to vote in District affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said district on the third day of March 1966, at 8:00 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
9. To see if the District will vote to raise and appropriate the sum of \$7,000.00 for purchase of a new school bus, and authorize the school board to issue serial notes for this purpose for an amount not to exceed \$7,000.00 in the name of and on the credit of the District; and to authorize the School Board to determine the time and the place of payment of the principal and interest, the rate of interest and all matters in connection with the financing of this project, except that final payment on the loan shall be made not later than three years after the date of said loan.
10. To see if the District will vote to accept the provisions of Title I of Public Law 89-10 (89th Congress) designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to

the District under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the District will authorize the school board to make application for such funds and to expend the same for such projects as said school board may designate.

11. To see if the District will vote to accept the provisions of Title III, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the District will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

12. To see if the District will vote to raise and appropriate a sum of \$2,800.00 to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year.

13. to see if the District will vote to provide Remedial Reading instruction as a regular part of the Pittsfield School System and raise and appropriate the sum of \$6,400.00 to implement the same.

14. To see if the District will authorize the school board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency.

15. To see if the District will create a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the moderator.

16. To transact any other business which may legally come before said meeting.

Given under our hands at said Pittsfield this 9th day of February, 1966.
